April 3rd, 2014 by Laurent Mercier

GDL Racing entered two Porsche 997s to take part this weekend in the ADAC Qualifying Race for the next 24 Hours of Nürburgring.

Gianluca De Lorenzi's squad will line up a first German racecar for Australian Paul Stubber, who will share the wheel with Italians Roberto Fecchio and Dario Paletto.

The other crew is completed by American Vic Rice, Swissman Nicola Bravetti and the experienced Marco Mapelli, who was frontrunner at the recent 12 Hours Italy-Mugello.

The ADAC Qualifying Race (Qualifikationsrennen) will be held on Saturday and Sunday at the legendary Nordshleife and the Grand Prix circuit, offering the teams the opportunity to prepare for the ADAC Zurich 24h Race in June.
